

# FREE COMPUTER AND GADGET HELP

For older or vulnerable Lambeth residents

katemangostar / Freepic

With the current covid restrictions, it's never been so important that older and vulnerable people are able to use their devices and access the internet and emails.

We provide free training and support both at our centre and remotely, and run free virtual coffee mornings, dance and exercise classes on Zoom.

**For more information contact WATERLOO ACTION CENTRE  
020 7261 1404 (Mon, Wed, Fri 10-3) [chrisdwac@gmail.com](mailto:chrisdwac@gmail.com)**
